Manager's Corner – November 2026

Hello, Everyone,

As the holiday season gets closer, we know it might be a great time to give your coach a little TLC.

We've heard a lot about water restrictions lately. Here's the scoop: you can clean or pressure wash your coach once a year. If you need to replace the sod, feel free to water it every day for up to 30 days. Just remember to keep your receipt as proof of the sod purchase.

Also, it's a good idea to check your trim for any fading. Does your area need weeding? Are you thinking about making some changes to your exterior and not sure if you need an ARC form, just give the office a shout. We're here to help!

Hurricane Preparedness

Although we are approaching the end of hurricane season, remember that Florida's hurricane season officially continues through NOVEMBER 30th. It only takes one storm to impact our communities, so preparedness remains important. STAY PREPARED.

Beautification Committee

Welcome Back, Snowbirds!
Welcome back to all of our seasonal residents! We hope you had a safe and enjoyable summer and are happy to have you home in Tarpon Shores. As we settle into the cooler months, let's continue working together to keep our community looking its best.

Annual Community Fall Clean-Up – City of Tarpon Springs – November 8
Just a reminder that November 8th is the City of Tarpon Springs Fall Clean-up. This is a great opportunity to clean up and dispose of unused and unwanted items around your home. Items may include old furniture, lawn furniture, pots and other household items that need to go. (See flyer in the newsletter for details)

Let's Keep Tarpon Shores Looking Beautiful
We are pleased to see so many residents working on their flower beds, weeding and trimming. Your efforts make a noticeable difference throughout our community, and we appreciate everyone who takes pride in where they live.

A Reminder About Trees & Bushes
Please remember that the backyard trees and bushes are the homeowner's responsibility to trim and maintain. Backyards are visible to neighboring residents, so keeping plants and trees neat and properly maintained helps everyone enjoy a cleaner and more attractive community.

Please Allow Space for the Mowers
When trimming or planting around your property, remember to allow adequate space for the lawn mowers. Plants, bushes, pots and other items should not interfere with mowing or make it difficult for maintenance crews to safely do their work. A little extra space can prevent damage and help keep our mowing areas neat.

Thank you for doing your part to keep Tarpon Shores clean, attractive and welcoming. Let's continue taking pride in where you reside!
